

# **Post Tsunami Sustainable Livelihoods Programme (PTSLP) for the Coastal Communities of Tamil Nadu**

## **Expression of Interest (Eol) for Implementing Sub Sector based Enterprise Development Activities**

### **1.0 Introduction**

- **Purpose of Expression of Interest (Eol):**

The purpose of Eol is to identify an organization / Institution / firm to implement Sub Sector based Micro Enterprise Development activities in the concerned district and ensure sustainability of the enterprises.

- **Information provided:**

The Eol document contains statements derived from relevant source that would be sufficient to submit the Eol.

- **Evaluation of Eols:**

The PMU may in its absolute discretion apply selection criteria specified in the document for evaluation of proposals for short listing / selecting the eligible organization / Institution / firm to implement Sub Sector based Enterprise Development Activities

- **Acceptance of terms:**

A recipient will, by responding to PMU's call of Eol, be deemed to have accepted the terms of this proposal.

- **Date of Submission of Eol:**

Any Eol received after the dead line will be treated as 'Late Eol' and such late Eols shall not be considered at all.

### **2.0. Project Profile:**

The Government of Tamil Nadu with the Loan assistance from International Fund for Agricultural Development (IFAD) is implementing Post - Tsunami Sustainable Livelihood Programme for the Coastal Communities of Tamil Nadu.

The Project has identified the following emerging sub sectors for further development through Livelihood Mapping and Sub Sector Survey.

Name of the District	Sub Sector for Implementation								
	Marine Fresh Fish	Dry Fish	Mud Crab Fattening	Ornamental Fish	Dairy	Poultry	Mango	Coir	Tailoring
Thiruvallur	√	√	√	√	√				
Kancheepuram	√				√	√			√
Villupuram					√				√
Cuddalore		√			√				
Nagapattinam		√			√		√		
Kanyakumari		√				√		√	√

### 2.1. Goal and Objective of the Project:

The overall objective of the project would be to build self reliant coastal communities, resilient to shocks and are able to manage their livelihoods in a sustainable manner. This would be achieved via the immediate objective of developing viable enterprises and resource management systems owned and operated by poor men and women in the region affected by the Tsunami and supported by community and other appropriate institutions.

### 2.2. Target Group:

The project shall benefit the Coastal dwellers (in villages directly or indirectly affected by tsunami) including:

- ❖ Coastal fishers using beach launched craft (Kattumarams, Vallams)
- ❖ Wage labour employed in the fisheries & agricultural sector
- ❖ Small scale fish vendors and processors (mainly women)
- ❖ Small & marginal farmers
- ❖ Other marginalised occupation groups (e.g. sea shell workers).
- ❖ Very poor, poor and vulnerable section identified through Participatory Resource Mapping.

Within these occupational groups the project will attempt to focus on single adult headed households (especially widows & widowers, Scheduled Castes & Scheduled Tribes).

### **2.3. Target Area:**

The target area for providing Sub Sector related activities is given in **Annexure – I.**

### **3.0. Submission of Eols:**

**The Eols are to be submitted sub sector-wise in the specified format enclosed as Annexure-II.**

### **4.0. Evaluation of Eol:**

The evaluation of Eol will be done based on the information / details provided by the institutions / firms / organisations. Further, they will be requested to make a presentation at the PMU, Chennai on a mutually convenient date.

The institutions / firms / organisations found eligible will be requested to submit combined Technical & Financial Proposal for further scrutiny at PMU.

### **5.0. General:**

**The Eol should be submitted for each sub sector separately and in sealed cover super-scribing as given below:**
